## *DEDICATION*

Wisdom, understanding, and devotion are unfailing attributes in the field of education, and to possess these qualities certainly deserves recognition. The Senior Class of 1971 feels that Mrs. Judith Butts has each of these qualities. The vivacious spirit of Mrs. Butts has in a very short time endeared her to the students of Elba High School. Her warm sense of humor and her inclination to treat all students as equals draw her even closer to the students. Her knowledge and dedication to her profession help make her classes interesting and enjoyable.

The Senior Class of 1971 takes great pleasure with a feeling of pride in dedicating this Elbala to Mrs. Judith Butts.

"Our glory lies not in having ever fallen, but in getting up every time we fall" was the Elba Tigers' battle cry as they hosted their cross-county rivals, the Enterprise Wildcats. During the half, the Tigers had to beat

Enterprise at their own game — ball control and tough defense, which later proved to be the winning formula for victory number "5."

## *Freedom Bowl*

To add the finishing touches to an almost perfect season, the Tigers were invited to play in the second Annual Freedom Bowl in Enterprise where they met the Dora Bulldogs from Birmingham.

Getting off to a slow start, the Tigers were confronted with a 6-6 tie at halftime; but, in the second half what seemed to be a ballgame between two teams

that were equally matched turned into a ballgame dominated by the powerful Elba Tigers. This game proved to be one of the most memorable ballgames of the year as the TIGERS trampled the Dora Bulldogs 33-12. This feat ended the season with a 7-2-1 record.

Thus, the 1971 Elbala Staff takes great pride in presenting Miss Glenda Kelley as the top Elbala Beauty.

Lucia,

There is so much to say that I don't know where to begin. How do you put these past years into one page? I guess the word that expresses most how I feel is "Thanks!" I couldn't have made it without you. You've always been there to listen to my problems and I sure have enough. I really value your advice. I know sometimes it seemed like I wasn't listening, but, believe me, I was! I'm just a person who has to but with my own head. I guess I'll always be that way. Thanks for being patient with me.

I'll never forget the good times we've had - riding around, swimming, and especially the beach. You'll always be a big part of my memories of old EDS. That's the sad part - leaving my friends. I guess I'm selfish cause I want to take you'll with me.

Lucia, you'll never know what you have meant to me. I just can't express it. I'll always cherish you as a friend.

Lucia, I wish the best life has to offer for you and Kenneth. You'll deserve every happiness. Come see me at Auburn.

Love always,

### *From The Editors . . .*

*Through this pictorial record contained in the 1971 Elbala, we have endeavored to bring you reflections of the many and varied activities of campus life at Elba High School. May these reflections continue to bring to mind the memorable years in our Alma Mater.*

Lucia,

I guess y'all are almost gone from E.H.S. I hope that you will never forget all the good times and even a few of the bad (like hitting me with a mop). Be Sweet and may you have everything in the world you want. Let me hear from you when you go to school.

So near finished now  
I don't really believe it.  
We sure had some  
good times, and the  
teachers gave us  
some good ones.  
Remembers More  
King to the 9th grade.  
Well, it has been  
nine having you as  
Drum Major this year.  
Stay as sweet and  
good lookin' as you  
are and you'll never  
be short of  
friends.

Lucia  
I don't know  
what to say you've been  
good as long as I can  
remember. Stay the  
way you are

Love  
Salvina

Go to school and  
stay as sweet and  
good lookin' as you  
are and you'll never  
be short of friends.  
I hope you'll have  
a great year. I hate to  
see you go. You've been  
a great help to me.

Lucia  
 it doesn't seem  
 like the year  
 should be ending  
 it won't be the same with  
 out you helped me in so many ways  
 I can't come to all give us moral  
 support to see that great you  
 smile of yours. Hope you  
 have in all your future  
 plans. To me  
 you'll always be  
 "the" greatest drum-  
 major EHS will  
 ever see. Keep  
 smiling and don't  
 forget all of us next  
 year. I know we'll

GO SENIORS OF '71'

Well Lucia,

Where can I begin? I couldn't ever find the words to tell you how much I appreciate your helping me through! I couldn't have come this far if you hadn't kept up the pep talk. I'll never forget the great times we've had together and all the important talks.

**The PEOPLES Bank**

You've been a great friend to have. Lucia, I'll try my best to keep up the good name of Drum Major's Coffee County's, but I could never replace you. I'll think about you when I'm out on the field next year. I just can't believe you're leaving it to me! Believe me, I'll not let you down. I'll be working for you at every game. I can't do it without you.

Lucia, you're the greatest friend and person could ever have. You're making me feel important and I've really enjoyed trying to help out on your problems. As I said I'll never forget our great times. I hope our friendship will last forever, and just because you're leaving D.H.S., you'll still be our Drum Major's Coffee County's. Stay just as you are! Never change, and you'll go far in life. Lucia I wish you + Kenneth the best of luck, and God Bless you - Don't forget us next year! We won't forget you.

Lucia,

I feel honored to have been in school with you and also in the band. I thank you for the friendship and help you have given me. You have a real great personality. Please keep it. Best wishes and good luck. God Bless You! Rev. B. Parrish

Lucia,  
The time has finally come and we're about to have to go our separate ways. Words can't express how much your friendship has meant to me. You're a wonderful person to have as a friend & I hope we always remain as friends. Thanks for understanding me when other people looked down on me. I'm really going to miss you next year and I really want you to come to see me at the U.G.A. we can have some great parties. I wish you the best that life can offer.

Lucia,  
It's really been great knowing ya these past two years. We've really had some great times. I really don't know how the band is going to be without ya next year. Always remember me, because I'll never forget you. Don't ever forget about the plating throwing routine. Best of luck in the future.

Lucia,  
I've been a GREAT 4TH! and you've been a great part of it. Some times on the field I thought I would really make a mess of it until you helped me out. Best of luck.  
Dixie  
Love always,
